## About Us

Kavalani & Sons is **an ISO 9001:2015 certified**, professionally managed organization, committed to offering complete customer satisfaction. We are Bahrain's most innovative supplier of Industrial, Construction, HVAC, Electrical, Waterproofing and Marine Equipment and have been in the market for more than 60 Years.

We offer more than 60,000 products from the world's market leading brands under one roof. We strongly believe in innovation and are constantly on the look out to bring innovative products and solutions to the market.

Our quest to introduce new state-of-the-art technologies and products has led to our diversification across different divisions and product lines. Our customers come to us expecting more than just a product, they look out for solutions.

We are pleased to introduce our first **CONSTRUCTION PRODUCT CATALOGUE** which brings together all reputed brands with International Standard into one Single Source.

**TYROLIT® embedded within the dynamic Swarovski Group**, has been associated with manufacturing of construction tools for every professional & application for almost 100 years.

It is one of the world's leading manufacturers of machinery and diamond tools for grinding, cutting, sawing, drilling, coring applications for the Construction Industry.

**Diamond Core Machines**

Performance and service indicator as well as levelling aid. Practical carrying handle. High productivity due to optimum torque adjustment. Powerful Machines with economical cost.

**Floor Grinding / Floor Sawing Machines**

**FGE 270**

Increased productivity and grinding performance, Maximum durability and load capacity. Dust-free operation

**FSE 1274**

Easy handling. Suitable for construction site-use, intelligent design with protected electronic components.

**Table Saw Machines**

**TME 700**

Maximum stability and robustness due to torsional steel chassis. Removable water tank for easier cleaning. Sturdy, balanced transport hook for easy crane transport. Precise mitre cutting thanks to mitre stop.

**Floor Saw / Ring Saw**

**HRE 400**

**HBE 350**

Hydraulic and petrol-powered ring saws for cutting depths up to 400 mm. An integrated dust extraction connection enables clean working.

**Diamond Cup Wheels / Floor Grinding Tools**

High stock removal rate. Impressive performance and lifetime. Reliable quality. Quiet grinding and clean shaping.

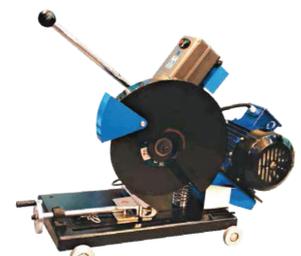

The diamond tools for the FGE Grinder range come in 3 different grit sizes for the removal of coatings and levelling of concrete.

**Wall Saw / Cutoff Machines**

**WSE 811**

For cutting into reinforced concrete surfaces. Options available in Wall Saw, Electric Saw & Wire Saw.

**Tyrocut MI400**

Heavy duty 5HP Machine. 3 Phase induction motor. Widely used in heavy steel fabrication industry.

**TYROLIT® was founded in 1919** and is a member of the Swarovski Group, is based in Schwaz, Austria and it is the leading supplier of drilling systems, wall and wire saws, floor saws and tools.

It is positioned as one of the leading manufacturers sawing, drilling and dressing tools and as a supplier of tool and machine systems for the construction industry.
