## Introduction

Kavalani & Sons is an ISO 9001:2008 certified, professionally managed organization, committed to offering complete customer satisfaction. We are Bahrain's most innovative supplier of Industrial, Construction and Marine Equipment.

We offer more than 30,000 products from the worlds market leading brands under one roof. We strongly believe in innovation and are constantly on the look out to bring new innovative products and solutions to the market.

Our quest to introduce new state-of-the-art technologies and products has led to our diversification across different divisions and product lines. Our customers come to us expecting more than just a product, they look out for solutions. Our goal is to make your job more professional, more effective and easier.

With 60 years of experience in servicing the demands of the industry, we are proud of the reputation you have helped us build.
